

SANTA CATALINA ISLAND.

Money Raised for an Addition to the Church—Good Goat Hunt.

AVALON (Santa Catalina Island,) Sept. 17.—[Regular Correspondence.] At a recent meeting held in the Congregational Church of Avalon a collection was taken for the purpose of building an addition to the church. The room will be thrown open in the summer as an extension to the audience room, and in the winter will be used as a private reading-room for the young men residing on the island. Over \$600 was raised; the Banning Company contributing \$100 Justice Whitney, \$75; while J. C. Jordan, a stranger to the island, gave a \$100 bill. Others made donations according to their circumstances. Work will be commenced on the addition at once, and the room will be completed before the winter season opens.

MANY WILD GOATS KILLED.

During the past week many hunting parties have visited the mountains near Eagle's Nest. Thursday Dr. C. W. Bryson and J. Tod Cook of Los Angeles went by stage to Eagle's Nest

C. W. Bryson and J. Tod Cook of Los Angeles went by stage to Eagle's Nest and spent the entire day hunting for wild goats. When they returned to Avalon late that evening, they brought with them seven fine heads as an evidence of their good luck. One of the animals was shot with a rifle at a distance of seven hundred yards by Dr. Bryson. The best heads will be mounted as souvenirs. Another party, comprising Mr. and Mrs. R. L. Craig, H. M. Corlette and Norwood Howard, guests of the Metropole, spent yesterday at Eagle's Nest hunting. Four goats were killed by members of the party.

TO EXPLORE SAN NICHOLAS.

Perhaps the most interesting feature in the history of the Southern California islands is the story of the "Lost Woman of San Nicholas Island," who was deserted and recovered years ago. Her cave and place of residence has never been found. During the coming week an attempt is to be made to find it, but the principal object of the expedition is to survey the big Indian mound on the island. It represents the accumulations of centuries. Commodore Burnham of the yacht San Diego is to make the trip.

... Commadore Burnham of the yacht, San Diego is to make the trip, and he will have as his guests C. F. Holder and Sidney Smith of Pasadena and E. L. Doran of Los Angeles. The yacht will leave Avalon Monday and will be gone a week or so.
